and

**National University of Food Technologies**, in person of the University Rector, Professor Anatoliy Ukrainets, acting on the ground of the University Statutes on the other hand, hereafter referred to as the **Parties** to this Memorandum, have concluded this Memorandum as follows:

### 1. Subject of the Memorandum

The parties reached an agreement to elaborate a mutually fruitful cooperation in the field of higher education and cultural exchange. For this purpose the parties have agreed to conclude a formal agreement between the Ukrainian and Greek teams. The Ukrainian team will be established by the National University of Food Technologies (the Leader) and a **Ukrainian association, chosen by the Leader**. The Greek side will be comprised of the Club for UNESCO of Piraeus & Islands, the Leader, and a Greek university, chosen by the Leader.

#### The cooperation comprises:

*in the education branch:*

- transfer of knowledge in the teaching process within the similar teaching courses at Partner universities;
- improvement of three-level training curricular along with the improvement in life-long learning for post graduates;
- experience transfer of innovative technologies of training, including distance education;
- exchange of professors for conducting lectures, seminars and consultations (tutorials);
- exchange of textbooks, methodical guides and other teaching materials for higher and post graduate education;
- students practical training;
- exchange of students and postgraduate students for short term courses, training and R&D projects.
- mutual access to the library funds including electronic form.

*in R&D branch:*

- conducting of scientific research on the agreed themes including joint applications for grant funding;

- joint preparation and publication of research reports, articles and monographs;
- conducting of joint seminars, symposia, conferences and exhibitions including events with interested firms and organizations;
- exchange of research and scientific information;
- joint scientific supervision of post graduate students on the cooperation and direct connection bases;
- scientific trainings and staff training courses.

## 2. Obligation of the Parties

2.1. Cooperation of **Parties** within this Memorandum is to be held in accordance with the legal documents in force between the Governments of the Hellenic Republic and Ukraine in the educational, science and cultural areas.

2.2. Each **Party** shall treat as confidential all industrial and commercial information obtained as a result of entering into or performing this Memorandum.

2.3. The rules of staff exchange and financial conditions will be determined according to the additional agreements pertinent to a specific case and are to be draw out in accordance to each **Party's** financial solvency.
